RE: Progress Report #4**

Attached you will find an interim report on the work undertaken by the Village Study Committee during the period since the VSC last met with the Board of Selectmen.

You will note at the end of the report that we request an opportunity to meet with the Board in a workshop format at your earliest convenience. We also would be pleased to have other relevant boards and committees invited at your discretion.

We look forward to discussing this report with you as well as going over proposed next steps in the process. Thank you for your continuing support and interest.
